Hydroponics

Building the future

Small things

Vietnamese underground

Snaking

Walkside

Sun umbrella

Vegetables

Fading out

Leaving Vietnam, dreaming back

The end of a journey, the beginning
of a memory

This album is a photolog of a three-weeks-long scientific & touristic trip in Vietnam; a country that - in the last century - surpassed wars and uncertainty and unrest, being nowadays in the midst of a new battle: that of regaining the smile. The brave nation of Vietnam proves it again and again, more and more: this battle is won every day.
