

YOU ARE SIMPLY DIVINE, THE CHICKEN OF RYABA!

Nikitin V.N., Nikitina M.I.

In the beginning there was information on the Universe, and then already her materialization.

YOU ARE SIMPLY DIVINE, THE CHICKEN OF RYABA!

The grandfather has planted turnip. Turnip big-very big has grown. There was a grandfather turnip from the earth to pull. Pulls-will pull – can't extend!

Russian national fairy tale "Turnip"

We live in the galaxy by the name of the Universe which constantly presents us the mass of riddles and surprises. We want to know everything! Sometimes the curiosity just doesn't allow us to sleep peacefully – pulls for itself to the world of imaginations and ideas. The grandfather beat – hasn't broken, the woman beat – hasn't broken. And the mouse ran, has waved a tail, the small egg has fallen and has broken.

How the world is arranged? The grandfather has thought, I have hammered into the head, doesn't sleep at the nights. I thought-thought – I haven't finished thinking. I have told about it to the grandma. Began to think together. Thought-thought – haven't finished thinking. Have decided to get a doggie. Have got and named Ray. Began to think together. Thought-thought – перелаялись. There was a time. The granddaughter Mashenka has grown up. Have told her about the thought. "The grandfather, and this mouse has broken a small egg of a chicken of Ryaby?". EUREKA! Here to you hint of a mystery of creation of the Universe!

"In the beginning there was a Word, and God had a Word, and the Word was God" (Ioann 1:1).

Hypothesis: in the beginning God has conceived Ryabu's chicken but only then by means of power influence her small egg has materialized to the galaxy by the name of the Universe.
